

## Friends of DAS

If you believe in the value of the Disability Advice Service you are already amongst our 'friends'. However we need to widen our circle to sustain our organisation.

Joining 'The Friends of DAS' will be rewarding both to DAS and to you.

## Why the need for The Friends?

We are in desperate need of funds. As with any charity of this size, the day-to-day running costs are a constant worry. Our current estimate is that funds of approximately £19,000 per year are needed to sustain our work and hopefully improve the services we offer.

## Who Might Be a Friend?

Anybody who wants to do something small to help disabled people and their carers in the Suffolk Coastal District Area.

Anybody who has a commitment to improving the community for all sectors of society.
